

**Immediately resistant to load
only few hours after application**

- **waterproof**
- **immediately resistant to load**
- **resistant to domestic sewage**
- **short and predictable downtime giving cost savings**

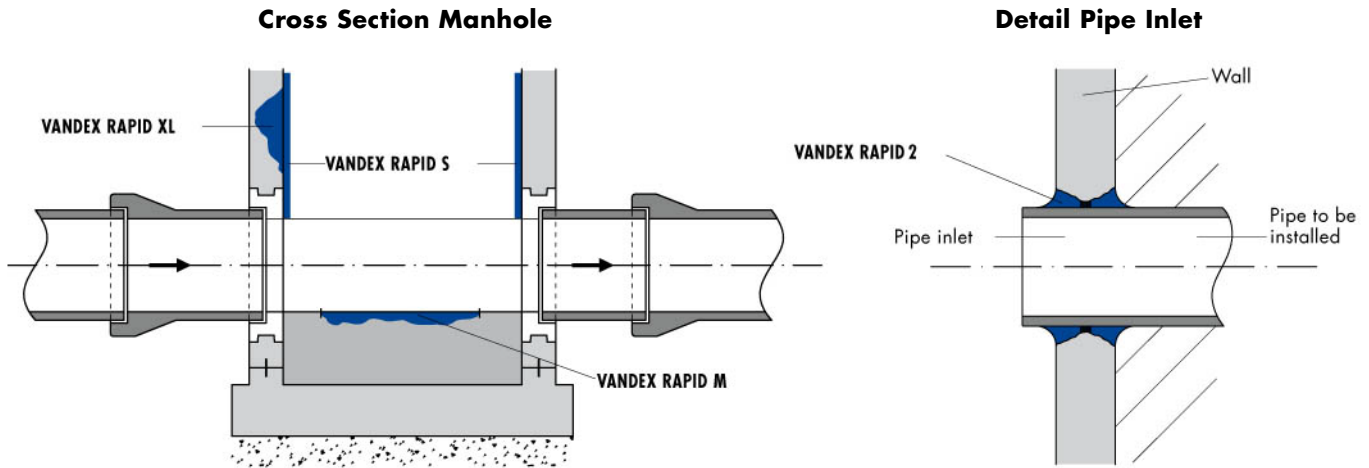

Fast and efficient waterproofing of a manhole with the VANDEX RAPID products

**The VANDEX RAPID SYSTEM
consists of four products:**

- VANDEX RAPID 2
- VANDEX RAPID S
- VANDEX RAPID M
- VANDEX RAPID XL

Typical example of VANDEX RAPID SYSTEM

1. Pretreatment of cracks and joints

2. Plugging of damaged pipe inlets and joints

3. Sealing leaking joints with VANDEX RAPID M

4. Reprofiling the top of the manhole with VANDEX RAPID S

5. Smoothing of VANDEX RAPID S with a sponge

6. The refurbished manhole
